#### Biofuels to be compulsory nationwide since 2013

Thứ tư, ngày 16 tháng 05 năm 2012 cập nhật lúc 16:45

According to the draft decision by the Ministry of Trade and Industry, E5 petrol would be compulsory since December 1st, 2013 in Hanoi, Ho Chi Minh city, Hai phong, Da Nang, Can tho, Quang ngai and Ba Ria - Vung Tau.

From June 1st, 2015 on, it is mandatory to use E5 bio petrol nationwide. E10 would be refilled in the above mentioned localities since June 1st, 2015 and would be used nationwide since December 1st, 2016.

The bio-fuel has been rolled out firstly in Hanoi in 2008.

Under the 2007 government decision on bio-fuel development, 13 bio-fuel production projects have been registered. As of April 2012, five bio-fuel plans have been put into operation with a total capacity of 490 million liters per year. These five factories is enough to supply national biofuel consumption.
